

ONLINE SAFETY AGREEMENT

KAIS ELEMENTARY & MIDDLE SCHOOL

As KAIS students, we promise to be good digital citizens and use the internet in a safe and responsible way.

- We will communicate responsibly and kindly with one another.
- We will protect our own and others' private information online.
- We will create safe and secure passwords for all of my accounts, and never share our passwords with others.
- We will stand up to cyberbullying, and refuse to participate when others are making hurtful comments and actions.
- We will ask a trusted adult for support when something makes us uncomfortable or when we're unsure about what to do.
- We will respect others' ideas and opinions.
- We will give proper credit when we use others' work.
- We will never agree to get together with someone we "met" online without first checking with a parent.
- We will avoid posting pictures of ourselves or others online without explicit permission from a parent.
- We will never post anything considered inappropriate or hurtful online.
- We will follow home and school rules related to the safe and responsible use of digital devices.

As KAIS students, we are committed to creating a safe, positive, and kind online space.
